Barbara,

I found the meetings yesterday to be very informative, but I was surprised to find out that neither the draft Technical Memorandum nor the revised draft of the Technical Memorandum had been shared with the Port Authority. Indeed, yesterday was the first time I had heard anything at all about the Technical Memorandum; yet, if I understood correctly, the memos were shared with both TCEQ and Harris County. I would appreciate knowing whether there was a reason why this information was not shared with us, or whether it was simply an oversight; as follow up to yesterday's conversation, I would appreciate your sharing this information with us now. Thank you, Barbara.
